

ACLE Teachmeet: *Teachers Sharing Ideas with Teachers*

In this session Ewan McIntosh (International Consultant and creator of the Teachmeet concept) and Derek Bartels (Executive Officer – ICT & Digital Learning Lutheran Education Qld) will facilitate a Teachmeet together with 13 teacher presenters. We are very fortunate to have Ewan with us this day after his morning keynote to help facilitate the Teachmeet which draws hundreds of people to such gatherings facilitated by Ewan around the world. The setting will be in the beautiful and agile space of the State Library Qld Studio.

GOALS:

1. To demonstrate why Teachmeets have become popular avenues for teacher learning across the world within a new set of democratising platforms and attitudes.
2. 13 Teachers Showcasing innovative teaching and learning practices utilising smart uses of digital technologies
3. Lots of opportunities to discuss share and debate.
4. Every participant goes away with at least three ideas to implement at their school
