PROPOSAL

Class Devotions and Secondary School

In Lutheran Schools we are all looking for the best way to answer the question in our Pastoral Care Groups, “What are we doing for Devotion today?” From experience the sourcing of ideas, resources, and having the students linking the GOD BIT after the devotion – is a challenge.

This workshop endeavors to find solutions to the problem of:

- Where do we find good spiritual devotions for secondary students?
- What is a collection of activities/devotions, that work?

The workshop will look to share resources, ideas and things that work! The end result will be two fold.

1. A list of resources for teachers and schools
2. An idea for how to easily share ideas using social media.

While the idea is basic it intends to solve a problem and come up with an easy solution to make teachers jobs easier.

The link to the conference from my perspective is the link to Heart. This workshop looks to find a way we can support the work of the Holy Spirit into the hearts of students.
