*BIBLE STORIES*

LIFE Curriculum is organized around Concepts. Bible material is presented as it relates to the Concepts rather than chronologically. The following list gives an idea of where in LIFE curriculum common Bible stories can be found.

The list covers only narrative Bible passages. The curriculum also uses many Bible references from psalms, prophecy, discourses, epistles, etc. These references are not included in the story list.

This listing is an appendix to LIFE, a Christian Studies curriculum developed for Lutheran schools. LIFE is a joint project of the Board for Lutheran Schools of the Lutheran Church of Australia and Openbook Publishers.
