

## Postgraduate study

### Postgraduate Certificate in Educational Leadership

All LDP participants are expected to complete the *Postgraduate Certificate in Business (Educational Enterprise)* offered through Queensland University of Technology professional and Executive Education. (QUTeX).

QUTeX's post graduate certificate provides context and experience to assist participants to understand concepts such as authentic leadership and management, strategic understanding, spirituality, professional development, and leading change. All these concepts are expressed within the context of *Growing deep*.

Recent Australian research has established that when teachers perceive themselves as leaders and are able to engage as leaders in the teaching and learning process, schools are transformed as learning communities. The LDP aims to explore the often divided worlds of teaching and leading in a conceptually sophisticated and strategically powerful way, so as to nurture sustainable educational change, led primarily by teachers, as well as to build a culture of leadership in schools.

In addition to two core units undertaken through QUTeX, participants will also complete the core unit, 'Education and Theology in Dialogue', through ALC. A fourth unit, taken in semester 4, will be offered through QUT and will be determined through consultation with the cohort and the LDP management team.

Requirements for the *Postgraduate Certificate in Business (Enterprise Leadership)* are as follows:

- Unit 1 *Leading Self, Leading others* (QUT) semester 2, 2021
- Unit 2 *Actioning strategic innovation* (QUT) semester 1 2022
- Unit 3 *Education and Theology in Dialogue* (ALC) semester 2 2022
- Unit 4 *TBC* (QUT) semester 1 2023

Note: The **first** unit 1 *Leading Self, Leading others* will be offered as a Leadership intensive in Adelaide.

Timeline	Unit	Mode of delivery
Semester 2 2021	<i>Leading Self, Leading others</i>	Delivered via a Leadership intensive to be held 8-9 July 2021

## Participants who have a postgraduate qualification in educational leadership

Some LDP participants may have postgraduate education or leadership qualification either through Australian Lutheran College (ALC) or other higher education institutions. Besides engaging in the TLS 360, mentoring relationship and participating in LDP workshops to develop additional understanding of leadership in a Lutheran school, these participants will need to:

1. attend the Lutheran Leadership Intensive
2. complete *Education and Theology in Dialogue* if this has not previously been completed.

Enrolment details for all participants will be provided by QUT at the beginning of May, 2021 and ALC in 2022.
