COLLEGE**

Profile of a Geelong Lutheran College Graduate

Develop students who extol Wisdom, Honour and Purpose

The **Profile of a Geelong Lutheran College Graduate** is a framework which hones the opportunities for student growth from a holistic perspective, preparing each student for their post school career and life. Through this, we seek to be *'a leading, innovative, Christ-centred learning community that inspires students to be caring, confident and creative citizens'*. (GLC Vision Statement)

The College Motto '**Christ is All**' (Colossians 3:11) reflects that, to the believer, life is a living, intimate, everlasting relationship with God Himself. Christ is the only way to that life in which the believer is committed to follow the way of Christ's love in all aspects of living, both on earth and in heaven.

Each of our students are gifted in numerous ways. Along with a focus on academic excellence, we believe that a holistic approach to education is delivered through experiences which enhances students' social and emotional development, physical and mental wellbeing and opportunities to engage in a strong faith-based pastoral care program.
