

Unconscious bias

Discuss these statements in pairs and decide the ways in which these biases might impact on relationships and decisions.

Teachers at year 6 or year 12 are clearly the most talented in the school

Maths is the most important subject taught in schools

Teachers who can't control the class are poor teachers

Good teachers always dress professionally

Non-Lutheran teachers don't understand what is important in Lutheran schools

When I think of leadership I think of the captain of the footy club

Female leaders are too soft on behaviour management

Studying a language other than English is a waste of time

Female teachers are needed on camp to look after the girls and liaise with the camp cook

A teacher with a doctorate will be a better teacher

The new deputy head was promoted only because she is Lutheran

We don't need students like that in our school
